Gulls & Terns in Australia - Scientific Day May 2010

Aims of Scientific Day

Following on from the previous scientific day on gulls and terns held at Phillip Island in 2002, this event will provide a forum for researchers, managers and those involved/interested in research, conservation and management of gulls and small terns in Australia, in addition to coastal management and conservation issues.

On Sunday (2 May), there will be a small workshop for invited participants to examine and assess the conservation status and management of small terns in Australia. Enquires regarding this workshop should be directed to Eric Woehler at eric.woehler@gmail.com

Conference Time: 9.00am – 5.00pm Saturday 1st May 2010.

Venue: Education Conference Room, Penguin Parade, Ventnor Road, Phillip Island, Victoria, Australia (Map supplied to registrants).

Costs: The conference fee will be \$60. Morning and afternoon teas and a light lunch are included in the conference fee. Registration enquires to Roz Jessop rijessop@penguins.org.au.

Travel; Phillip Island is about three hours drive from Melbourne's Tullamarine Airport and a two hour drive from the Melbourne CBD. The Penguin Parade is 12 km from Cowes (the main town on Phillip Island).

Penguin Parade: The Phillip Island Nature Park will be sponsoring entry to the Penguin Parade on Saturday evening for those who wish to go.
